\* **You do not have to be present at the sale to buy a bull!** If you contact us before the sale with your bulls needs and preferences, we will be happy to provide you a list of bulls that we recommend and help you bid by phone, internet, or by a designated bidder. Satisfaction is guaranteed! After every sale, we have calls for two to three weeks from people in need of bulls, wanting to know if we have any to sell privately. The best and largest selection is always sold through the auction - please don't wait until after the sale to ask.

\* **Is "in breeding" a concern?** Many of you have purchased bulls from us for many years and may be worried about inbreeding. We have a record of those purchases and can help you select unrelated bulls to use in your herd. We constantly strive to add new genetics to afford our customers the opportunity to purchase all their bulls from our program. Contact us ahead of time and we'll be glad to help with your selections!
